

Rules Commission Meeting Dubai, United Arab Emirates 8 - 9 April 2019

Chairman: Mahdi Abdulrahim of the UAE,

Honorary Chairman: Ashot Vardapetyan of Armenia,

Secretary: Mehrdad Pahlevanzadeh of Iran

Councillors: Stephane Escarfe of France and Mike Hoffpaur of the USA and guest Casto Abundo of the Philippines, Asian Chess Federation Executive Director

1. Chairman's Remarks and Welcome Address:

The Chairman Mahdi Abdulrahim welcomed all presents and looked forward to a productive meeting. He asked the members to bring more material for teaching and to clarify rules for players and arbiters. He emphasized that all decisions that will be made during this meeting will be discussed at the next meeting of the Rules Commission during the FIDE Congress.

2- Tie-Break Systems

The Commission pointed out that the tie break system was under the Rules Commission in previous years and FIDE should clarify that the Rules Commission shall continue to be in charge of the FIDE Competition Rules.

Rules Commission approved the suggestions of FIDE Management board to apply the following tie break system and shall define parameters for the application of AROC.

Proposal for the individual Swiss tie-break system

The Swiss tournaments being part of the World Championship Cycle should use the following tie-break criteria in order of priority:

- Average Rating of Opponents Cut 1 (AROC 1)*
- Buchholz Cut 1**;
- Buchholz;
- Direct Encounter
- Drawing of lots.

* Average Rating of Opponents, excluding the lowest-rated opponent.

** Buchholz score reduced by the lowest score of the opponents.

It is also recommended to apply 400 ratings points rule for calculation and also we should recommend to the programmers to add 400 rating points option to their Pairing software's.

3. Deadline to submit new proposals.

Rules commission suggests setting a deadline of 45 days before FIDE Congress 2019 and also persist that the proposals shall receive via National Chess Federations.

4. Proposals:

A: Chairman Mahdi Abdulrahim suggested changing the penalty for making an Illegal move in Rapid games to just one (1) minute as it is in for Blitz since the time control of Rapid games are closer to Blitz Games than Standard Games.

To Add new Article after A.1 in the Appendix:

Appendix A: Rapid Chess	
A.2	The penalties mentioned in Articles 7 and 9 of the Competition Rules shall be one minute instead of two minutes.

B: Proposal to avoid several possible problems that illegal move precede to the checkmate move can proceeds:

Rules Commission suggests changing Article 5.1.1 to:

Article 5: The completion of the game	
5.1.1	The game is won by the player who has checkmated his opponent's king. This immediately ends the game, provided that the move his last & previous moves producing the checkmate position were in accordance with Article 3 and Articles 4.2 – 4.7.

C: Proposal to limit the number of draw offers that a player can give to 3 times in a row to avoid disturbing the opponents.

Article 9: The drawn game	
9.1.2.1	A player wishing to offer a draw shall do so after having made a move on the chessboard and before pressing his clock. An offer at any other time during play is still valid but Article 11.5 must be considered. No conditions can be attached to the offer. In both cases the offer cannot be withdrawn and remains valid until the opponent accepts it, rejects it orally, rejects it by touching a piece with the intention of moving or capturing it, or the game is concluded in some other way. <u>A Player Can not disturb his opponent by repeating draw offers more than 3 times in a row.</u>

D: Proposal to remove Article: 9.1.2.2 since the same matter described in Article 8.1.5

Article 9: The drawn game	
9.1.2.2	The offer of a draw shall be noted by each player on his scoresheet with the symbol (=).

E: Proposal to maximum possible number of moves to return back to 10

Article 7: Irregularities	
7.5.1	An illegal move is completed once the player has pressed his clock. If during a game it is found that an illegal move has been completed, the position immediately before the irregularity 10 moves before the last position shall be reinstated. If the position immediately before the irregularity 10 moves before the last position cannot be determined, the game shall continue from the last identifiable position prior to the irregularity. Articles 4.3 and 4.7 apply to the move replacing the illegal move. The game shall then continue from this reinstated position.

5. Rules Seminars:

It was suggested to conduct Rules Seminars for Arbiters who want to receive the International Arbiter Title and also for Lecturers and International Arbiters to take refresher courses by the Rules Commission.

6- Hand Book Structure

The commission suggested giving a better classification for the FIDE Handbook and to complete the previous proposal of Secretary Tomasz Delega, but most important point is to place Laws of Chess inside the General Rules Section.

7. Online registration in all kind of L1, L2 and L3 tournaments

It's recommend to FIDE use a kind of online registration for all kind of L1, L2 & L3 tournaments to avoid player's withdrawal possibility on purpose to join other tournaments.
